* of PDP fee. PDP refers to the fees that participating Preferred Dentist Program dentists have agreed to accept as payment in full.

** of R&C fee. Reasonable & Customary charges are based on the research of a dentist's usual, actual and community average charge as determined by MetLife.

*** Maximum fee schedule, provided patients use Columbia Dental Plan dentists.

**** Applies to Type A, B & C Services.

Please refer to the applicable plan document for complete details on your Dental Insurance plan.

Vision Program

The college maintains a reimbursement program. In this program, eye exams and lenses are available at no cost when purchased through an in-network provider. The plan will also reimburse for glasses and contact lenses purchased in-network. There are also out-of-network benefits available through the program. Please contact the Human Resources Office for complete details on your Vision Plan.
