

# CIFLTE ALUMNI ASSOCIATION

## THANKSGIVING GETTOGETHER

NOV. 16, 2020 • NYC

CIFLTE Alumni Association hosted its very first alumni reunion before Thanksgiving and we welcomed alumni, current students, new friends interested in CIFLTE's programs, and also several enthusiastic learners of Chinese!

Three alumni representatives (Pauline Huang '09, Yoyo Gu '17, and Joy Dong '17) shared with us their work and life ever since they graduated from CIFLTE's one-year TCSOL program in New York.

In the Q&A session later, the four Chinese learners answered many questions about their learning of Chinese from all the CIFLTE Chinese instructors (or instructors-in-training)!

We really appreciated our three co-presidents of the alumni association - Rachel Chen, Cong Dong, and Michelle Tomizawa - for all the work they did behind the scenes to make this wonderful event happen!
