Desdemona is speaking to him about it and he is considering it. He said you embarrassed him and he might not let you but he loves you. He will bring you in again.

Cassio. If you think so but I still want to speak with Desdemona alone.

Emilia Come and speak your mind then

Othello Yo Iago, give these letters to the Captain

Iago Oh. I will do it.

Othello Lets go.

Gentlemen Oh.

Desdemona Believe me Cassio I will try to get him to reconsider.

Emilia. My husband is worried about it as if it was his badge taken away.

Desdemona He is so pure! I will have you and my husband friends again don't worry.

Emilia Here comes ~~your~~ <sup>your</sup> husband <sup>now.</sup>  
~~or~~ ~~husbands~~

Cassio I am out!

Desdemona Stay while I try to persuade him.

Cassio No thank you I don't feel good.

Desdemona Whatever

Iago I don't like that.

Othello What did you say?

Iago Nothing I might just be paranoid.

Othello Was that Cassio just now?

Iago I don't think so. He wouldn't walk  
away looking guilty like that right.

Othello I think that was him?

Desdemona Hi baby, how are you. I have been  
talking to Cassio and he feels sorry  
and would like your honor and friendship  
back.

Othello Where he at?

Desdemona He just left but I ~~will~~ <sup>can</sup> call him  
back

Othello Not now, later baby.

Desdemona you will do it soon right.

Othello I will just forgive you

Desdemona At lunch today?

Othello Not tonight thank you

Desdemona Then tomorrow at dinner?

Othello Alright ~~in~~ <sup>but</sup> I will eat at home  
today. When ever.

Desdemona OK but don't let it go past 3 days. He is waiting but he is not allowed to wait here long. You'd better do it. I feel sorry for him.

Othello I will do it baby

Desdemona You'd better do me this favor or there will be some real problems. I am obedient to you so you do the same for me.

Othello I love her but then I don't love her. This is terrible

Iago Did Cassio know that you really love Desdemona?

Othello Yes, why?

Iago Nothing.

Othello What?

Iago I didn't know he knew her like that. You let him hear

Othello Yes. He has been around us a lot.

Iago I thought so.

Othello. What you mean? He's ~~was~~ trying to

Iago is he?

Othello What do you think?

Iago You want me to answer that?

Othello Are you an echo? Just tell me what you think. Stop holding things back because that is just making my thoughts worse.

Iago I could have sworn that he ain't no  
~~liar~~ liar.

Othello That is what I think.

Iago Or maybe he was just putting on a show.

Othello Maybe

Iago I am sorry. I am your friend and you  
are mine and so is he. But I think he  
maybe be a liar.

Othello You think he is capable of that?

Iago Maybe, I guess so, Yes.

Othello Tell me what you are thinking now!

Iago Do not get jealous. Whatever you do,  
do not get jealous of Desdemona.

Othello Oh my God!

Iago You are strong but not strong enough  
for jealousy!

Othello You think I get jealous easy! No  
thanks you. You ~~would~~ would really have  
to work hard for that.

Iago Well that is good to hear.. lets just  
leave it at that.

Othello We will be friends forever.

Iago Listen to everything I am saying and  
listen to them

Othello Leave me alone so that I can think  
about my wife.

Desdemona: What happened? The people you invited are waiting for you, go.

Othello: I ain't get no sleep and now I have a head ace.

Desdemona: let me put it around your neck to make the pain go away.

Othello: Get that off of me. It is too little.

Desdemona: I hope you feel better baby.

Emilia: Here is the ~~nap~~ hanky that my husband wanted me to steal, but she loves it. Whatever I will give it to Iago and let him do whatever he wants with it, whatever he wants to do.

Iago: What ~~the~~ cheer got there.

Emilia: Here take the hanky.

Iago: Oh snap! They saw you take it? Did you steal it.

Emilia: No. She dropped without noticing. What are you gonna do?

Iago: Why, what do you care for? Mind your business and go away.

Iago: This will make him really jealous for sure. Look at you. Are you okay? Do you need some medicine.

Othello: I don't look that bad, do I?

Iago: No but not as usual.

Othello: Well I think and feel bad. You made me feel this way.

Iago I am so sorry I was just trying to help but men don't feel as bad as women. But whatever I am going to leave you alone.

Othello No. Stay. You should be honest and true and I don't blame you for that.

Iago I should have kept my mouth shut because some people can't handle the truth.

Othello No. It is OK. I needed to know that my wife is a liar and a cheater. But give me hard proof that she truly is a cheater.

Iago What happened to that honey you gave her? What did it look like? I could not sleep one night and so I ~~swore~~ went to sleep in his room and he grabbed my hand, kissed it and started saying "Desdemona" I love you and started rubbing my hand with his body.

Othello Really! Aw man! This is serious and I don't even realize. 3.4

Desdemona Where ~~does~~ Cassio sleep? Is Cassio's room?

Iago I won't tell you.

Desdemona Why not?

Iago He is a soldier and I cannot tell you.

Desdemona Take me now I need to ask him something ..

Clown No.

Desdemona Then tell him I talked to Othello for him.

Clown Whatever.

Desdemona I cannot find my handkerchief. Do you know where it is.

Emilia No

Desdemona Alas me! I would rather lose some money and everything else that I keep in my purse than lose that. Othello will be mad.

Emilia He is jealous? I don't think so. He will understand.

Desdemona What happened, baby? How are you doing.

Othello Good. Give me your hand.

Desdemona We cannot do this now, you have to keep your promise and go talk to Cassio.

Othello But I have a lot of tears, give me your handkerchief.

Desdemona I don't have it.

Othello Why not?

Desdemona I lost it.

Othello An Egyptian gave it to my mother and she gave it to me ~~when~~ <sup>where</sup> she was dying now where is it or I am going to get mad.

Desdemona I am sorry but I do not have it.  
Helo Then go look for it and find it  
now.

Desdemona OK. I will try to find it.

Helo You will find it!

Desdemona Hi cussio! How ~~are~~ were you? What is  
New?

Cussio I am very appreciate of you

you.

Desdemona But right now he is mad and I  
don't think it's a good time.

Lago He is mad?

Emilia He just left very uneasy.

Lago How could he be ~~are~~ mad ~~now~~? He  
would have made a bigger fuss. I  
have seen him mad.

Desdemona I know what he is mad about but  
you need to mind your business  
Please.

Emilia He is jealous I think.

Desdemona I never gave him a reason to be  
jealous. Aww man! That stupid green  
eyed monster. God please keep that

~~Emilia~~ monster away

Emilia Amen.
